

JOHN FIG. 723 AIR RELIEF VALVE

The 723 air relief valve features a NBR faced disc for maximum tightness. The disc utilizes the reactive force of the discharging air and ensures a high discharge capacity.

723 AIR CAPACITY - L/S

Set Pressure (Bar)	8mm	10mm	15mm	20mm	25mm
0.5	1.5	4.5	6.7	17.9	26.9
